To Ted Bostrom,

I have been in the business for 20+ yrs and can say with great confidence that I have not had a millwork company that is as qualified, professional and easy to work with as CWC.

I would like to take this opportunity to pay special recognition to Marty Burgess and Mike Tyson, the gentlemen that represented CWC at Brookside Lodge. All trades on site were presented with countless challenges and inconsistencies. Most, if not all information came late, incorrect or not at all. My job was certainly made easier knowing that when I approached either Mike or Marty with a decision that I had to make, regardless of timing; it was received, understood and executed with an attitude that I wish was more prevalent in this business.

In closing, I just wanted to give credit where credit is due. For the size of the job, I have nothing but great things to say and look forward to working you in the future.

Best regards,

Brad Bunt
